

CADDIES MADE EASY

CADDIENOW *TRUE-IC*

CaddieNow provides a highly customizable, full-service platform that allows clubs to streamline operations, reduce costs and minimize liabilities from their caddie program while maintaining complete control of the golfer experience.

REDUCED LIABILITY

Your caddies are given the freedom, flexibility and protection needed to maintain true independent contractor status. CaddieNow will work with you to identify areas of potential liability and provide options for limiting exposure.

COMMAND & CONTROL

Our full-service caddie platform provides you with the tools needed to better monitor loops, review billing activity and engage your caddie pool.

CADDIE CERTIFICATION

CaddieNow works with you to transition existing caddies to the platform, while also recruiting and on-boarding addition caddies as desired. All caddies are approved by the club before gaining access to loops.

FLEXIBLE BOOKING

Golfers can book using our free app our through your clubs' existing caddie booking process.

CONNECTED CADDIE POOL

Our Command & Control Platform allows instant communication with your entire caddie pool with one-touch email, text and push notifications.

PAYMENT OPTIONS

Caddies can be paid via customer credit card, member club account or cash. Courses can also choose our invoicing option. CaddieNow will invoice courses twice a month for all loops booked.

QUALITY CONTORL

Both caddies and golfers are rated using our simple 5-Star Rating System after each round. Golfers can also enter comments if desired.

PREFERRED CADDIE

Members can choose their 'preferred' caddies on the app, clubs can choose their 'preferred' caddie and prioritize when certain caddies see requests.

CADDIENOW.COM

CaddieNow allow me to provide a great benefit to our members without the headaches of a traditional caddie program."

- Jay Dufty, PGA Director of Golf,
Washington Golf and Country Club
